Director of Central Intelligence Washington, D.C. 20505

Dear Sir:

I represent the Koger Center Kiwanis Club located in Atlanta, Georgia, and am Chairman of the Citizenship Services Committee of the club. I am informed that, to obtain a speaker from your organization, you require a written request.

I would like for a representative to address our weekly lunch meeting on September 24, 1984, and present a program on what the CIA does as a matter of course to preserve our rights as citizens, and what we need to be aware of to be supportive of those efforts.

The club meets at 12:00 every Monday and has anywhere from 10 to 20 people in attendance. The meeting is held at the Pier 85 restaurant at Shallowford Road and I-85.

If someone from your local staff in Atlanta could manage to speak to our group it would be most appreciated.

Thank you,

Bob Daffer
